DOTS AND BOXES

Each player takes it in turns to draw a line that joins two dots, either horizontally or vertically. The dots must be next to each other. When a player completes a whole box they write their initial in the box. When the whole grid is filled with boxes the game is over. The winner is the player with the most boxes.

UNDER THE OCEAN A TO Z

Test your knowledge of the ocean and see if you can think of something beginning with each letter of the alphabet. We have thought of one to get you started.
