

A night-time photograph of the Royal Duchy Hotel, a multi-story building with a gabled roof and numerous windows. The hotel is illuminated from within, and the scene is set against a dark sky with falling snow. In the foreground, there is a well-manicured lawn and several palm trees, some of which are wrapped in warm white lights. A set of stairs leads up to the hotel entrance on the left. The overall atmosphere is festive and cozy.
